

Chris Lubbe

On Friday 16th June, Chris Lubbe came into School and did an amazing presentation. He taught us about equality ~~about~~ the colour of a person's skin. It's really emotional listening to his story but it's such an ~~more~~ important story and it could change your view of the world and also life.

Chris is an inspiring person, it's incredible how inspiring he is; he ~~or~~ has taught us not to take our ~~two~~ lives for granted and that our lives are amazing ~~and~~ and people dream for a life just like mine.
